**Re: Invalid service of process in *Matthews v. Estrategia Invetimentos, S.A., et al.*,  
E.D. Va. case no. 14-00207-LO-MSN (the "Action").**

Dear Ms. Walker:

I write to ask that the record be corrected to reflect that service of process on Estrategia Invetimentos, S.A. ("Estrategia") was invalid. As my colleague Claudia Colom explained to you over the telephone, there has been a misunderstanding regarding the service of process to Estrategia, as I am not authorized to accept service of process on behalf of Estrategia.

Federal Rule 4(h)(1)(B) permits service to a corporation by delivering a copy of the summons and the complaint to an officer, a managing or general agent, or any other agent authorized. My firm does not represent, and is not authorized to accept service for, Estrategia. Thus, the purported service of process to Estrategia is invalid and should be disregarded and quashed. Furthermore, Estrategia has been taken over by the Brazilian government. I enclose a declaration in support of this request.

Therefore, I respectfully ask that the record be corrected to reflect that Estrategia has not been served through service on me and that my firm does not represent Estrategia in this Action.

Respectfully yours,
